

Our VISION

Our vision is to cultivate, nurture, and learn together in creating an equitable and inclusive community deeply committed to the lifelong flourishing of all students.

Our MISSION

Interesting Fact: *Lions are the only cat species that **ROAR** together.*

R - We show **Respect**

- We serve all individuals in our immediate and broader community.
- We intentionally value and include the individuals typically placed at the margins.
- We foster strong relationships between all members of the community by valuing and understanding all members holistically.

O - We have an **Open Heart** and show kindness

- We build relationships with all students, staff, and caregivers through intentional and purposeful inclusion of all.
- In this way, we celebrate diverse cultures and identities and ways of thinking and knowing.

A - We **Act Responsibly**

- We connect with our community to identify and dismantle barriers to success.
- We reimagine the possibilities and outcomes education can produce in order to empower our students and ensure their long-term flourishing.

R - We take **Risks** and **Rise** together

- We empower our students to be resilient, courageous, and service minded members of our community by utilizing inclusive educational content, engaging in courageous conversations, promoting a sense of justice and action, and creating space for all of our communities to be seen, heard and valued.
